

Amendments to the Specification

The paragraph beginning after the title on page 1 has been amended as follows:

RELATED PATENT DATA

This patent resulted from a divisional application of United States Patent Application Serial No. 08/582,385, which was filed January 3, 1996, titled "Capacitor Constructions", and listed the inventors as Gurtej Sandhu and Pierre C. Fazan; now U.S. Patent No. 6,218,237.
